

What you need to know about:

Trafficking in New York

- Victims are often hidden in plain sight. They are forced into a cycle of shame, degradation, subservience and fear
- At the end of 2016, Human Trafficking cases were up 50% in comparison to the previous year (2015) in New York City
- New York is the 4th highest state for sex trafficking
- 1700 cases were investigated in 2016 alone by the NYPD Task Force
