

Where The Money Goes

The Big Picture:

- We do approximately \$120,000 worth of physical rehabilitation per location each year
- We spend between \$600 and \$7,000 per client for physical rehabilitation
- We can open a secured location for \$80,000 - \$90,000
- We can operate four (4) locations on \$150,000 per year
- We operate 7 days a week
- We work to provide initial lodging, clothing, food and security needs
- An average missing persons case will run from 1 day to 3 weeks
- We generate approximately 1200 miles every three (3) days in vehicle use (\$636)

What your donation will support:

Physical Rehabilitation

Your support allows us to help people get out of harmful environments

- \$500 allows us to operate one local recovery mission
- \$1000 - \$5000 allows us to operate on out of area recovery mission

Your support allows us to integrate them back into society

- \$150 allows us to treat one client per month
- \$10,000 allows us to treat unlimited clients for one month

Awareness

Your support allows us to teach awareness and educate the public. Awareness offers protection. Houston is one of the most intense human trafficking jurisdictions in the country.

- \$300 allows us to provide enough materials to present to one (1) High School or Jr. High School
- \$200 allows us to provide enough materials to present to one (1) Hospital ER Staff
- \$200 allows us to provide materials and training to a brokerage house
- \$200 allows us to operate one (1) Parent Support Group meeting per month
